

Client Voluntary Contribution Policy

When a client calls Share the Care Napa Valley (SCTNV) and is referred to our Stop Falls Program, they will be informed that modifications/repairs in their homes, at the recommendation of a licensed Occupational Therapist, will be completed free of charge, by a licensed contractor/handyman.

If there are changes that are recommended, but not allowable, and/or affordable under STCNV Stop Falls Program, or if the client would like additional alterations made, the client may choose to privately employ the STCNV Stop Falls contractor, or a contractor of their choice, and privately pay to complete the tasks.

During the first Stop Falls initial intake on the phone and/or the home screening, a Share the Care staff member will go over the Client Voluntary Contribution Policy.

If a STCNV Stop Falls Program client would like to voluntarily contribute to the cost of the modifications/repairs in part or totally, they may contribute online at www.sharethecarenv.org or send a check to STCNV, 162 South Coombs, Napa, CA 94559. If you have questions or need additional information you can call us at 707-492-3198 or email us at info@sharethecarenv.org.
